

## Warehouse Collect Self Service (CUCC)

As Master Loader, our website offers the ability for your staff to manage these charges by logging in to [www.stgusa.com](http://www.stgusa.com).

### GENERAL INFORMATION

There is no need to wait for container devanning. Your Warehouse Collect Charges can be entered, amended, voided or altered at any time from data entry up prior to cargo delivery.

**Including IPI cargo destined for STG ending facilities that are owned by STG:**

[Atlanta, GA](#)

[Dallas, TX](#)

[Oakland, CA](#)

[Charleston, SC](#)

[Houston, TX](#)

[Savannah, GA](#)

[Chicago, IL](#)

[Los Angeles, CA](#)

[Kearny, NY](#)

There is no longer a need to submit an invoice to STG. Our ability to create in-house reports based on the Warehouse Collect Charge Code will allow our staff to make prompt payments.

Please be reminded that Warehouse Collect Charges cannot be reimbursed for cargoes that have been abandoned, siezed or filed into General Order (or like conditions); charges can only be guaranteed if STG has been given the ability to collect while at CFS status.

### HBL LEVEL ENTRY

Access your container through the search fields or the **CONTAINERS** tab

Click on the AMS HBL number which you would like to add charges to

### Container Information

Location	Los Angeles	Status	Available
