

## Export Inventory Tracking/Container Loading

### Client Access

The STG Export functionality allows STG clients to track Export shipments via **Tracking**, review inventory and build outbound Export containers by leveraging **Container Loading**.

To complete these processes, you will need to Login.

The screenshot shows the STG Logistics website header with the logo and navigation links: TRACK SHIPMENT, ABOUT US, NEWS, CAREERS, CONTACT US. Below this is a secondary navigation bar with buttons for STG SHIELD, TRACK SHIPMENT, and SIGN OUT. A third navigation bar includes links for OCEAN CFS, AIR CFS, CONTRACT LOGISTICS, CUSTOMIZED TRANSPORTATION, HOW TO, LOCATIONS, and TECHNOLOGY. A search bar is present with dropdowns for 'All Locations' and 'House Bill Number', and a 'Go' button. The main navigation menu includes buttons for Home, Containers, ITs, Exports (highlighted with a red box), Air Imports, Air Exports, PWS, CES, Reports, Alerts, Balance Due, My Account, and STG Brokerage. Below the menu, there are two links: [Tracking](#) (Track cargo receipts using one of more parameters, such as purchase order or container. Data can be downloaded to Excel.) and [Container Loading](#) (Select lots from the warehouse and place them into a container.)

### Tracking

Search for your cargo using the following **Export Tracking** query screen.

The screenshot shows the 'Export Tracking' query screen. It features a navigation bar with 'Containers', 'ITs', and 'Exports' buttons. The 'Exports' button is highlighted with a red box. Below the navigation bar, the 'Export Tracking' form includes the following fields: Location (Carson), Booking Number, Lot Number, Container, Shipper, Pro Number, Consignee, Purchase Order, Destination, Manifest, Date Received (with a calendar icon), Show (Lots currently in the w), and Output Type (Web). The 'Exports' button and the form fields are highlighted with a red box.

You have the ability to export the search results to an **Excel** file.

At the time of finalization you will be allowed to add loading instruction to the warehouse.

Click **Finalize** to confirm the load.

The screenshot shows a dialog box titled "Finalize Loading" with a close button in the top right corner. Below the title bar is a section labeled "Warehouse Instructions" containing a text input field. At the bottom left of the dialog box is a blue button with the text "Finalize" highlighted by a red rectangular border.

The load plan is then generated, and email notification is sent to the facility's Export team.

**PLEASE NOTE:** If you have finalized your load plan and would like to make last minute changes you will need to contact your STG facility to adjust your finalized load plans.
