

NOTICE: New STG CFS Location – Port Everglades, Florida

Dear Business Partner:

STG Logistics has expanded its network and in addition to our current STG Miami facility, we are pleased to announce that we have opened a new CFS location in Florida. The STG Port Everglades (PEV) CFS is located just 45 kilometers North of Miami and offers some of the following advantages:

- Lower IPI cost from both New Jersey and Los Angeles
- CFS located right within Port Everglades
- 19 shipping lines using PEV - <https://www.porteverglades.net/cargo/shipping-lines/>
- Low cost final delivery options available from STG Logistics
- Same IPI transit days to PEV as MIA

STG Port Everglades
