10.2 All Insured Goods that are covered on the Declaration of Insurance will be shipped in strict accordance with all regulations of the Carrier.

If there is other insurance coverage applicable to the shipment, the coverage provided hereunder will apply only as excess coverage and in no event as contributing insurance. Only after the other insurance has paid up to its limit(s), Underwriters will provide coverage up to the Limit of Insurance, subject to Section 3.2 above. However, in no event shall Underwriters' payment hereunder exceed the remainder of the loss once the other insurance has paid up to its limit(s). If the Carrier and/or any other third-party bears liability for a loss covered under this policy and there is no other insurance coverage applicable to the shipment, it is expressly agreed this policy's coverage shall be considered primary coverage and will not be applied in excess of such liability.

10.4 Subrogation
